

CADWELL PARK CIRCUIT HELICOPTER LANDING INFORMATION

Helicopters are welcome to land at Cadwell Park Circuit subject to the following.

All helicopters must land at the main Helipad Area A, 500m north west of the circuit unless otherwise approved. An image of the helipad areas is [here](#).

In degrees, minutes and seconds (as Google Earth) the location is:

53° 18' 50" N 00° 04' 05" W.

In degrees, minutes and decimals of minutes (as most GPS systems) the location is:

53° 18.83' N 00° 04.08' W

It is a grass area sloping gently down to the north upon which a number of helipads may be marked out.

Helipad Area B to the north of the paddock is normally reserved for MSV directors' helicopters only. It may be available to other helicopters during weekdays but only with express written permission from Cadwell Park circuit.

Helipad Area C is strictly reserved for the air ambulance and no other helicopter may land here.

HELIPAD AREA A

Approach and Departure

On busy event days please approach and depart within an arc from north to east as shown, to avoid the circuit, entrance road traffic and nearby public roads. At other times when the field to the south is clear of cars/camping etc, you may approach and depart over this. Avoid overflight of Cadwell Park race circuit and the paddock area.

Make steep approaches and depart at maximum rate of climb. Avoid overflying any residential properties at less than 500ft and the hatched noise sensitive areas. There is no radio service so watch out for other traffic!

Landing permission

Landing at Cadwell Park is strictly by prior permission. Please complete the form [here](#) and return to Cadwell Park circuit. The landing fee is £50 + VAT.

Ground Transport

Helipad Area A is 5 minutes walk from the paddock and circuit office. If you have no ground transport available this can be provided to the paddock by the circuit manager providing the landing time is as notified. Alternatively call the circuit office on 01507 343248 and we'll pick you up if we can. If you have no-one to drop you back to your helicopter when ready to depart please come to the circuit office and we will drop you back if someone is available

Fuel

Jet A1 fuel may be available on weekdays only, and if so will be subject to specific arrangements regarding time of availability. Contact the circuit for further information.
